	Called Mildred Ward, Secretary to Senator
	John Stennis, and suggested several possible dates for the Senator's lunch
	visit at Headquarters with the Director this week, the Director's preference
	being for wednesday. Later in the day she said Wednesday was fine for the
	Senator and we will pick him up at Walter Reed Medical Center (Ward 8,
i	third floor) at 11:30 a.m.
: :	
	John Goldsmith, Senate Armed Services
	Committee staff, called to say he has gotten the transcript back of the
	Director's appearance before the CIA Subcommittee in support of the
!	registation to extend the CIARDS quota and they will plan to release it for
	Wednesday morning papers.
	7. Left with Guy McConnell, Senate
	Appropriations Committee staff, a paper 'Open Appropriation for CIA '
	He has no immediate need for this but I told him he might want to keep it
	for future reference on this subject.
	I also told McConnell that 6 June was agreeable for the Director for
	ms budget session with the Intelligence Operations Subcommittee. McConnell
	salu Chairman McClellan had approved the schedule and they were going
	ahead with it.
	0
	David Newhall, Administrative Assistant
	to Senator Richard S. Schweiker (R., Pa.), called concerning the case of an
	Agency employee who has been declared surplus. Newhall said the man has
	21 years of service and needs only four more plus he apparently has been
	injured in the line of duty. The employee has been after Senator Schweiker
	to call the Director but Newhall would like to know the disposition of the
	case without having to bring the Senator and the Director into it. I told
	him I would check on it and give him a call.
	9. Called Ed Braswell Chief Councel Councel
	Armed Services Committee, and advised him of the Chairman's plans to
	have lunch with the Director at Headquarters on Wednesday.
	I also told him that S. 1494 (the bill to extend the CIARDS retirement
	quota) passed the House this morning. I told him we again wanted to thank
	him and everyone else concerned for their assistance with the passage of
	the bill
